Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction for the above-identified patent.

Respecting the alleged errors noted in your request, in the *references* classification information is not required. Furthermore, with regard to 4,588,856, the proposed entry of "179/2C" is in correct since class 179 was abolished via 1983. There is no reason to enter the changes.

In view of the foregoing, your request in this matter is hereby denied.

A certificate will issue for the remaining error, noted in your request.
